

# **State Building Inspector Program Concerns & Guidance**

*National Earthquake Program  
Managers Meeting*

Seattle, Washington | April 30, 2013

# Common Concerns

- Authority and Makeup of Program
- Liability / Workers Compensation
- Training / Recertification
- Database / Volunteer Call-Down Procedures

# Keys to Success

- Go Multi-Hazard
- Professional Organizations
- Immediately address liability, workers comp, and “credentialing”
- Adapt Existing Plans

**State EMA must retain authority over program...**
